

**NM State 4-H Conference
2008 Fashion Commentators
Example Script**

Welcome to the 2008 State 4-H Fashion Show. Let's jump right into an evening of Fashion and Fun!

This is Rosalyn Salaiz, a 6th year member of the Fort Selden 4-H Club in Dona Ana County. This is Rosalyn's first year in the Fashion Magic Project and she really enjoyed it. Today she is modeling denim Bermuda shorts and a brown tee. Rosalyn chose this outfit for a casual day of shopping with her friends. Rosalyn attends Onate High School where she is a Varsity cheerleader. She also enjoys spending time with her friends and family. Have fun at the mall, Rosalyn!

Pretty in pink is Dar-Lyne Jones. She is modeling a beautiful pink and green plaid dress. The dress is gathered at the bottom. The gathers give the dress a fun, summery look. She has accented the outfit with a light-weight green jacket, green ribbon, and a flower. She accessorized her outfit with green earrings and a pink necklace. Dar-Lyne is the daughter of Marty and Daphyne Andrew. When she is not sewing, Dar-Lyne enjoys showing meat goats, dairy goats, market lambs, and chickens and judging for FFA. Dar-Lyne is a member of Chaves County 4-H. Dar-Lyne is going to be a smash hit at any event in this cute dress!

Fourteen yards of crepe satin, fifteen yards of tulle ruffles, several rolls of ribbon, two sewing machines, four spools of thread, three bottles of aspirin, one exhausted Holly, and Debbie Reyer had a dress for prom. This project took everything that Debbie had learned in all her previous years of sewing to create. The challenge this year was this beautiful floor length gown, made of blue and purple crepe satin. The back is accented with two blue panels with a purple insert, and there are 26 buttonholes laced with purple, blue, and silver ribbons. The dress is complimented with a 6 foot matching reversible shawl and silver jewelry. Debbie is a senior at Goddard High School and a member of Chaves County 4-H. You look ravishing, Debbie!

This is Shelby Preece, a 4-H member from Doña Ana County. Shelby chose to make a dark blue formal halter dress for her second year in the sewing project. She has accessorized her dress with a beautiful silver rhinestone necklace, silver rhinestone threaded earrings, and a silver bracelet. Shelby is very shiny, even down to the decked-out shoes! Shelby says that while her dress was fun to make, she does not plan on wearing it too much, because she rarely ever goes where one like this would be necessary. Shelby has been a member of H Bar C 4-H Club for 6 years and other 4-H projects she is currently taking include Horse, Meat Goats, Poultry, Rodeo and Baking.

Katelyn Olson is sporting a classic contemporary look that is perfect for a night in Europe. Her burgundy floral embossed jacket has many details including a waist belt, peplum, collar, and etched silver buttons. Her cream t-shirt also gives her jacket and extra pop of color. Katelyn is also wearing classic olive green guachos. This year,

Katelyn has truly found her love of sewing and is hoping to eventually major in fashion design. Katelyn is a 7-year member of the Valle Verde 4-H Club in Doña Ana County. She is currently club president and Jr. Sewing Leader. Katelyn also does public speaking, leadership and citizenship. Besides 4-H, she participates in Mayfield High School Choir, Theater, and Speech and Debate Club.

Thank you for joining us for the 2008 State 4-H Fashion Show.
