\_\_\_\_\_

\_\_\_\_\_

How can you determine the age of a tree?

\_\_\_\_\_

\_\_\_\_\_

What is the primary function of leaves?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Why do we prune trees and shrubs?

---

---

---

---

On a separate sheet, draw the leaves of six different deciduous trees.

On the last page of this report, draw your landscape plan, showing the location of trees and indicate with circles the area each one covers. Color these circles light green. Draw smaller circles to indicate the location and size of shrubs and flowerbeds, but do not color.
