

JAY V. GEDIR

Curriculum Vitae

Research Interests: Large mammal and raptor ecology and management; Integrated population models; Bayesian inference; Reintroduction and conservation ecology

Education:

- Ph.D., Wildlife Ecology and Management, University of Alberta, Canada, 1999
- M.Sc., Wildlife Management and Control, University of Reading, UK, 1992
- B.Sc., Zoology, University of Guelph, Canada, 1988

Professional Experience:

- 2021–present: Senior Research Scientist, Department of Fish, Wildlife and Conservation Ecology, New Mexico State University, USA
- 2014–present: Graduate Faculty, Department of Fish, Wildlife and Conservation Ecology, New Mexico State University, USA
- 2019–2021: Research Assistant Professor, Department of Fish, Wildlife and Conservation Ecology, New Mexico State University, USA
- 2015–2019: Research Associate, Department of Fish, Wildlife and Conservation Ecology, New Mexico State University, USA
- 2013–2015: Post-doctoral Scientist, Department of Fish, Wildlife and Conservation Ecology, New Mexico State University, USA
- 2010–2019: Research Associate, Centre for Biodiversity and Restoration Ecology, Victoria University of Wellington, New Zealand
- 2011–2013: Post-doctoral Fellow in Terrestrial Ecology, Department of Biological Sciences, University of Lethbridge, Canada
- 2008–2010: Post-doctoral Researcher, Centre for Biodiversity and Restoration Ecology, Victoria University of Wellington, New Zealand
- 2007–2008: Post-doctoral Fellow, Wildlife Ecology Group, Massey University, New Zealand
- 2003–2005: Post-doctoral Researcher, Centre for Conservation Research, Calgary Zoological Society, Canada
- 2002–2003: State Deer Research Biologist, Fish and Wildlife Research Institute, Florida Fish and Wildlife Conservation Commission, USA
- 1999–2001: Post-doctoral Fellow, Wildlife Conservation Research Unit, University of Oxford, UK

Professional Affiliations

- 2019–present: US Fish and Wildlife Service National Eagle Support Team
- 2004–present: IUCN Species Survival Commission Deer Specialist Group
- 2005–present: IUCN Species Survival Commission Conservation Translocation Specialist Group
