

# *Urban-Ag Interfaces*

Google earth

# *Urban-Ag Interfaces*

# Considerations

• Neighbors

• Water

• Land Use Codes

# *Neighbors*

- Being a good neighbor
  - Be visible
  - Be friendly
  - Be helpful

- Gates and fences
  - Good gates make good neighbors

# *Un-invited Guests*

- Constant vigilance

- Zero tolerance

- No 'catch and release'

- Avoid thinking 'It's not worth it'

- Good relationship with local authorities

## *Water considerations*

- Localized impacts to delivery
  - Surface delivery infrastructure
  - Reduced surface delivery impacts local aquifer recharge

- Groundwater return flows will move

## *Land Use Codes*

- Ag only zoning
- Integrated Micro Agriculture
- Nuisance ordinances
  - Noise
  - Dust
  - Lighting
  - 'Right to Farm'
